July 4th BreadWorks Dining Event Saturday, July 7th at 5:30pm “Traditional Picnic Fare”

Welcome to our second Fund-Raising Dining Event at Lynch Creek Farm. Monies raised are used exclusively to support ongoing Society Research Projects.

After three years of work and collaboration between the Ben Franklin Society and Lynch Creek Farm, Franklin BreadWorks is fully operational.

This ongoing series of Ben Franklin Society, member-only Dining and Entertainment Events, will be held at the Lynch Creek Farm Cabin Grounds.

Since this is a private Fund-Raising Event, we are not open to the public. Ben Franklin Society membership is open to everyone. We have an Associate Membership for \$5 per year which entitles you to participate in all Society activities. Memberships are available at the door.

Complete Event details are described in the Article below.

Lynch Creek Farm is located in Franklin County at 1973 Rocky Ford Road, Kittrell, NC 27544. For directions visit our website at www.lynchcreek.com

For more information about the Ben Franklin Society, visit www.BenFranklinSocietyNC.org

Your hosts, Bob Radcliffe and Kerry Carter, are the owner-operators of Lynch Creek Farm.

Bob founded the Ben Franklin Society in 2009 and serves as its President and Board Chairman. He designed and built the Wood-fired Oven, the Log Cabin and will prepare the food for this Event.

Kerry, also a Board Member, designed the Cabin, and is largely responsible for landscaping the Cabin Grounds.

Welcome to our second Event. Your support of the Ben Franklin Society is most appreciated. Enjoy!

Latest Ben Franklin Society 2012 NEWS

The Ben Franklin Society is a collection of independent Research Projects.

Society Members individually, or in collaboration with others, work independently on Projects they propose.

The Society meets Quarterly, but each Project maintains its own schedule of activity.

At each of our Society Meetings, Project Leaders make presentations about the status of their Research Projects.

All Projects are encouraged to utilize computer technology to assemble, communicate and publish their findings.

On March 24th, we purchased a Garmin eTrex30 GPS device and companion expertGPS software that gives us state-of-the-art field data acquisition, location and mapping capabilities.

On May 26th (Memorial Day), we held our inaugural Franklin BreadWorks Dining Event at the Lynch Creek Farm Cabin and Grounds. We are pleased to announce that 40 people attended, we raised \$300 and doubled our Society Membership.

On June 20th, we were notified by the United Way of Franklin County that we were awarded an \$800 Grant in support of Peggy McGhee's "NC Colonial Hearth" Research Project and encouraged to re-apply next year.

On July 19th, we will hold our next Regular Quarterly Meeting. We have, for the first time, Guest Speakers (and other future collaborators) in attendance. See the details (on the right) and look for an e-mail with a complete Agenda.

Because the Ben Franklin Society is a 501(c)(3), Research Project Managers can apply elsewhere for grants and funding that exceed our funding capabilities.

Even as an Associate Member of the Ben Franklin Society, you are entitled to participate in all Society Activities.

Find out more about us on July 7th! Plan to attend our next Quarterly Meeting. Help us improve Franklin County.
