Number 5

## **TOMATO PIE & BLUEGRASS**

**Saturday, June 1<sup>st</sup> at 5:00pm**

**\$10 per person**

This Outdoor Event is our first of the season combining Bob's endless Wood-fired Oven Tomato Pie (aka Pizza) Buffet with Live Cabin Front Porch Music by the Raleigh Bluegrass Band "RavenRidge" - weather permitting.

You will not want to miss the outstanding vocal harmony of Tamara and Cindi and their smooth Bluegrass sound with Guitar, Mandolin, Banjo and Bass. We personally know three of the Band Members - you will enjoy the food and entertainment. Reservations are required. The fee is \$10 per person - 25% tax-deductible. Bring your friends and introduce them to a great time for a worthy cause - relax, eat and enjoy the music.

Since all BreadWorks Events are private (for Ben Franklin Society members only), current 2013 BFS membership is required. An annual Associate Membership in the Society may be purchased at the door for \$5 per person which entitles you to participate in this, and all upcoming Society activities held this year.

Lynch Creek Farm is located in Franklin County at 1973 Rocky Ford Road, Kittrell, NC 27544.

Kick back and enjoy yourself. Bring a guest. If the weather is unusually bad, we will reschedule this event. Extra parking will be provided in the Front Pasture.

# Ben Franklin Society NEWS

[www.BenFranklinSocietyNC.org](http://www.BenFranklinSocietyNC.org)

The Ben Franklin Society is a collection of independent Research Projects.

Society Members work individually, or in collaboration with others, on Projects of their choosing.

The Society meets Quarterly, but each Project maintains its own activity schedule.

At each Society Meeting, Project Leaders make presentations on the status of their Research Projects.

All Projects are encouraged to utilize computer technology to assemble, communicate and publish their findings.

## NEW Research Project Underway Peggy's Colonial Kitchen & Herb Garden

**Project Manager, Kerry Carter**

To complement and improve upon Colonial Hearth Day, a new Colonial Kitchen & Herb Garden will be designed, built and planted at Peggy McGhee's Farm. It becomes a wonderful teaching tool: a constant source for fresh- and preserved-foods, seasonings, medicines and flowers at Peggy's back door. What better way of providing a more complete picture of Colonial Life at "Colonial Hearth Day" than a Kitchen Garden stroll into yesteryear for curious children and guests.

## Colonial Hearth Day Status Update

**Project Manager, Dr. Peggy McGhee**

A 2013 United Way of Franklin County Grant Application was submitted and our presentation made to secure help with the funding of our fall Colonial Hearth Day. We are extending the Event from one- to two-days and participation from 100 to 200 fourth-grade underprivileged students from all Franklin County elementary schools.

**Garden Perimeter Boulder Walls**

**Interior Raised-Bed Timbers**

Our Growth-Strategy Campaign began in March 2013. We are approaching compatible organizations to establish long-term, working relationships. Annual membership entitles each organization to one free meeting use of our Log Cabin and inclusion of their Logo and Website address in this Email-based Newsletter that is presently distributed to over 500 members and interested prospects.

## SUPPORT OUR COLLABORATING MEMBER ORGANIZATIONS

Organizations join the Ben Franklin Society (BFS) to provide "blanket" Associate Member status for their staff, membership and employees. Associate Members can participate in all BFS activities. For example, Franklin BreadWorks Dining and Entertainment Events are scheduled monthly, year-round, and provide a unique social environment where members can meet informally with others, or choose to share time with their invited guests. The Lynch Creek Farm Log Cabin (and Grounds) serves both as the headquarters and venue for all BFS activities and a full-service Business Meeting Center with excellent connectivity.
