FRANKLIN COUNTY EARLY COLLEGE HIGH SCHOOL PLAN

Now that our Society has been successful in its efforts to provide a Chromebook Computer for each Student at ECHS, we can re-double our efforts to find ways to remove other obstacles to student success:

- 1) *Begin efforts to enlist the support of County Leaders to plan and construct a New Building for ECHS*
- 2) *Establish a new ECHS Teacher-Society Volunteer Program that links 1-2 members with each of the seven Teachers to identify, fund-raise and implement "unfulfilled" educational opportunities*
- 3) *Begin work to project a clearer image and better understanding of ECHS in Franklin County by helping to create a new School Promotional Brochure*

EARLY COLLEGE HIGH SCHOOL TEACHER PARTNERSHIP

Now that we have been successful in providing a Chromebook Computer for each of the 200 ECHS Students, we have re-focused our efforts to Teacher Partnership - pairing-up Society Members with each of the seven ECHS Teachers. Preliminary discussions have revealed that each Classroom has unique needs, judged by each Teacher to make an immediate, instructional impact upon their students. Let me introduce you to the faculty of ECHS, and identify some of the initial needs we are seeking to satisfy, with our fund-raising efforts:

KERRION CLARKE - Science - Lab Supplies

KATELYN EVANS - Math - Graphing Calculators

ARI GOLDBERG - English - BrainGame Quiz Kit

ELIZABETH GROTHMANN - English - DC Class Trip & Classroom Book-sets

MICHAEL GROTHMANN - History - Community Contact List

CRISTINA LUCUTA - Math - Software Licenses & Mini Whiteboards

SANJANA SHARMA - Science - Help Writing Grants

We are about to pair-up with two Society Member Volunteers with each Teacher. Each Team will work independently, but periodically meet to share their findings, prioritize identified needs, and strategize about fund-raising approaches.

This Holiday Season we are asking for Donations to fund these specific ECHS needs. Your Donations will help these students be successful and help ECHS remain a NC "A" High School. The long term goal of our Teacher Partnership is to help ECHS become a preferred school for top universities to recruit its graduates and provide merit Scholarships and needs-based Grants.

These goals are achievable. Help us make this a happen!
