TOMATO PIE & BLUEGRASS

Saturday, July 13th at 6:00pm

\$12 per person

This Outdoor Event is our second of the season combining Bob's Wood-fired Oven Tomato Pie (aka Pizza) Buffet with live Cabin Front Porch music featuring the duo - Rick and Bette Newsome - of Dry Bread Road Band, and the solo guitar and singing artistry of Doug Ross.

Each have played on the Cabin Front Porch before and we've had many requests for them to return. You will enjoy the solid Bluegrass sound of Rick & Bette Newsome and the range of Doug's song repertoire. Reservations are required. The fee is \$12 per person (25% tax-deductible). Bring your friends and introduce them to a great time for a worthy cause - relax, eat and enjoy the music.

Since all BreadWorks Events are private (for Ben Franklin Society members only), current 2013 Society membership is required. An annual Associate Membership in the Society may be purchased at the door for \$5 per person which entitles you to participate in this, and all upcoming Society activities held this

year.

Lynch Creek Farm is located in Franklin County at 1973 Rocky Ford Road, Kittrell, NC 27544.

Kick back and enjoy yourself. Bring a guest. If the weather is uncooperative, we will reschedule this event. Extra parking will be provided in our Front Pasture.

Ben Franklin Society NEWS

www.BenFranklinSocietyNC.org

The Ben Franklin Society is a collection of independent Research Projects.

Society Members work individually, or in collaboration with others, on Projects of their choosing.

The Society meets Quarterly, but each Project maintains its own activity schedule.

At each Society Meeting, Project Leaders make presentations on the status of their Research Projects.

All Projects are encouraged to utilize computer technology to assemble, communicate and publish their findings.

Quarterly Society Meeting Date Set

Mark your calendar for **Tuesday, July 9th at 7:00pm** at our Cabin Headquarters, Lynch Creek Farm. The Agenda is posted on our website.

Peggy's Colonial Kitchen & Herb Garden

Project Manager, Kerry Carter

To complement and improve upon Colonial Hearth Day, a NEW Colonial Kitchen & Herb Garden is being designed, built and planted at Peggy McGhee's Farm. It becomes a wonderful teaching tool: a constant source for fresh- and preserved-foods, seasonings, medicines and flowers at Peggy's back door. What better way of providing a more complete picture of Colonial Life at "Colonial Hearth Day" than a Kitchen Garden stroll into yesteryear for curious children and guests.

2013 Colonial Hearth Day Status Update

Project Manager, Dr. Peggy McGhee

The United Way of Franklin County has awarded our Project a \$1750 Grant. We have extended our Event this year to two consecutive days this Fall; increased the number of fourth-grade under-privileged students to 200; and included all Franklin County Elementary Schools.

Composted Plant Beds

Our Growth-Strategy Campaign began in March 2013. We are approaching compatible organizations to establish long-term, working relationships. Annual membership entitles each organization to one free meeting use of our Log Cabin and inclusion of their Logo and Website address in this Email-based Newsletter that is presently distributed to over 500 members and interested prospects.

SUPPORT OUR COLLABORATING MEMBER ORGANIZATIONS

Organizations join the Ben Franklin Society (BFS) to provide "blanket" Associate Member status for their staff, membership and employees. Associate Members can participate in all BFS activities. For example, Franklin BreadWorks Dining and Entertainment Events are scheduled monthly, year-round, and provide a unique social environment where members can meet informally with others, or choose to share time with their invited guests. The Lynch Creek Farm Log Cabin (and Grounds) serves both as the headquarters and venue for all BFS activities and a full-service, Business Meeting Center.
