GoDADDY "MAINSTREETHUB" SOCIAL MARKETING

We have contracted GoDaddy Social (www.mainstreethub.com) to help market Lynch Creek Farm on the following Social Media Platforms - Google Business, Facebook, Twitter, Instagram and Yelp. This is a 3-month experiment (Feb-Mar-Apr) to assess whether our companion organizations - BreadWorks at Lynch Creek Farm Cabin, Ben Franklin Society and Bakery at Lynch Creek Farm - can substantially benefit with increased membership and bookings. Social Media marketing is the digital analog of "face-to-face", one customer at-a-time" marketing. Participate with Posts, Comments and Reviews when you can. Thanks!

2019 GRIST MILL INVENTORY PROJECT

Bob Radcliffe has re-activated this Ben Franklin Society (BFS) Project and is seeking Volunteers to help with Field Inventory and NC Archive Report Preparation and Filing

Preparatory work began in December 2018, with a visit to NCDCCR in Raleigh, to meet new Archaeology Site Registrar, Rosie Blewitt-Golsch. A Prototype Mill Site filing process has been developed that now enables us to proceed and finally accomplish the goals of this Project that Bob started in 2008.

We successfully completed our first Archaeological Site Filing on December 11TH, 2018. The **WHITAKER MILL on Lynch Creek** was assigned the **OSA-ID 31FK165**. Each Site is assigned a permanent Site-ID by the OSA Site Registrar.

To download a copy of this .PDF Site Report, use the following embedded link.

WHITAKER MILL on Lynch Creek

We submitted NINE more Site Locations to receive permanent NC assigned Site-ID numbers. PDF Report Filings will follow bringing our submission count to TEN. As we complete and submit Final Reports of each Site, we will post redacted versions on our BFS website.

Our February Field Trips netted missing GPS Coordinates and Photography, so that additional Site Reports could be finalized. Contact Bob Radcliffe to register for the Field Trip(s) you want to attend. We will gather at the Lynch Creek Farm Cabin for a quick orientation before departing for 3-hours.

MARCH FIELD TRIP SCHEDULE

Tuesday March 12TH @ 9:00am

Thursday, March 14TH @ 1:00pm
